July 9, 2010

Dear Parents at Gardena Valley Christian School,

The GVCS Cafeteria has changed its name to Fresco Foods. We would like to inform you of some other changes:

- **Starting in the Fall, parents have the option to deposit \$25 in their child's Fresco Account to pay for emergency lunches. This is to be used only if the student does not bring a lunch and does not have lunch pre-purchased in the cafeteria. If your child needs to borrow emergency lunch during school year, that \$25 will be used (\$5/each emergency lunch). We will alert you if your credit is running low. Whatever credits remain will be returned to you at the end of the school year. Please remember, this is OPTIONAL, it is not required. The existing emergency lunch procedure will continue for those that choose not to participate in this new option.**
- If you call and request a credit for an absence, please clearly indicate your child's first name, last name, and the room number. **We will not call you back if you just request a credit, unless there are some issues or problems regarding your child's lunch.** You MUST call before 9 AM the morning of the absence.
- **CREDIT(S) MUST BE USED FOR A LATER DATE IN THE NEXT MONTH. NO EXCEPTION WILL BE MADE.** (Example: If you have credit in February '11, you MUST use it in March '11.) **You cannot save all your credits and use them in the last month.**
- There will be **\$25 dollar fee on all returned checks.** **Please note: you are responsible for the returned check fee.** Late fees will be charged if we do not receive your payment promptly.

Thank you for your business. Your cooperation is greatly appreciated.
